ELYSIUM SCONCE

Wall Lights & Sconces

The love of precious stones is deeply ingrained in the human heart, an ancient beauty that remains untouched and constant. Exquisitely and painstakingly handcrafted from natural rock crystal, the Elysium sconce transports you to another realm, a gateway to a place of perfection afforded to heroes of a mythological world. Sourced raw from the earth, the icy shards of rock crystal are selected and lightly polished by hand, and fixed one by one. Showcased in a round brass frame.
