GYRO SCONCE

Wall Lights & Sconces

The Gyro sconce is inspired by nineteenth century experimental physicist Leon Foucault's gyroscope: a device used for measuring orientation. Extracting key elements from the historical instrument such as its multiple axes, the gyroscope has been reinterpreted into a framework of aged metal spheres fixed around a nucleus of candle lights. Frame is in our proprietary Antique Rust finish.

SPECIFICATION

| | |
|-----------------|-----------------|
| Product Code: | T-GYR-LS-0001-U |
| Product Height: | 43cm / 17" |
| Product Width: | 43cm / 17" |
| Product Depth: | 22cm / 9" |
| Weight: | 3kg / 6lbs |
| Max Wattage: | 18W |
| No. of Bulbs: | 3 |
| Bulb Included: | Yes |
| Dimmable: | Yes |
