PUZO SCONCE

Wall Lights & Sconces

Epically beautiful, the Puzo wall sconce stands at a grandiose height of between five and seven feet tall, with the largest size weighing almost 100kgs. Taking inspiration from mid-century Murano glass lighting, Puzo epitomises the power, opulence and glamour of 1960s Italian design, infused with a heavy dose of la dolce vita. Crafted from hand-blown tubes of textured glass in a smoky finish, with either bronze or natural metal banding around the central tier.
