FORGED MIRROR

Wall Mirrors

Minimalist in design, the Forge round mirror is a hanging carriage style design made by hand from forged iron. One single piece of metal is heated and then forged into shape using traditional blacksmith methods, with a distinctive loop at the top. A modern and industrial take on glamorous period mirrors.

MIRROR SPECIFICATION

Product Code:	T-ACW-AE-0001-Z
Product Height:	5.5cm / 2.2"
Product Width:	80cm / 31.5"
Product Depth:	80cm / 31.5"
Weight:	26kg / 57.2lbs
