TURBINE FLOOR LAMP

Floor Lamps

The Turbine floor lamp is inspired by intricately crafted turbine engines, which create power by feeding fluid through a rotary assembly to turn the blades. The Turbine floor lamp has taken many design elements from actual turbine engines, from the blades which encase the bulbs to the solid steel casing which joins the turbine blade units.

SPECIFICATION

Product Code:	M-TUB-LF-0001-A
Product Height:	165cm / 65"
Product Width:	42cm / 17"
Product Depth:	42cm / 17"
Weight:	61kg / 133lbs
Max Wattage:	8W
No. of Bulbs:	2
Bulb Included:	Yes
Dimmable:	No
