INCEPTION SCONCE

Wall Lights & Sconces

Inspired by infinity mirrors from the 1970s, the Inception sconce lights up to reveal an endless sea of lights. When turned off, the sconce has an elegant look in Flat Brass with mirrored sides. Once switched on, a dramatic sequence of reflections is revealed, as though a thousand bulbs are lit up - a pathway of infinite lights. Incandescent antique bulbs create a lighting effect that's soft and mellow, perfect for adding theatre to evening entertaining.
