GRAND PRIX DINING CHAIR

Dining Chairs

The Grand Prix chair takes its shape from the chassis of modern day GP bikes. The chassis being an integral part of race bikes determining the stability and handling of the entire machine making it a perfect inspiration for the frame of the Grand Prix chair. With the frame in the shape of a race bike chassis, it makes it perfect for a leather slung seat.

CHAIR SPECIFICATION

Product Code:	M-ADC-SD-0001-K
Product Height:	87.5cm / 34.4"
Product Width:	68cm / 26.8"
Product Depth:	73cm / 28.7"
Seat Height:	47cm
Seat Width:	50.5cm / 19.9"
Seat Depth:	48cm / 18.5"
Weight:	21.7kg / 47.74lbs
Arm Height:	57cm / 22.4"
Seat Cushion Filling:	Foam & fiber
Frame Construction:	Stainless steel
