BARBADOS PLANE STAMP

Wall Art

There's something about vintage stamps that is so captivating - the romance of hand-written letters, the allure of far flung places, the excitement of the postman delivering news from a loved one. Postage stamps are beautiful miniature works of art in their own right, and this enlarged image of a Barbados stamp from the mid-1960s instils a warm feeling of nostalgia in any room, imbued with the carefree vibe of the tropics. Framed in painted black wood.

SPECIFICATION

Product Code:	T-TRK-WA-0001-Z
Product Height:	99.7cm / 39"
Product Width:	130.2cm / 51"
Product Depth:	3cm / 1"
Weight:	21kg / 47lbs
Frame Construction:	Wood
Bulb Included:	No
