SHIMMER BAR CABINET

Bar & Drinks Cabinets

Cocktail hour becomes golden hour with the beautiful Shimmer bar cabinet and its mellow golden glow. Exuding flair and finesse, Shimmer is crafted by hand from a series of overlapping glass panels, each one edged entirely in brass. The glass is subtly faceted, refracting the light inside the cabinet to cast a spectacle of shapes that magically trick the eye. Butterfly-style doors open out fully, allowing easy access to your stock of drinks and glasses inside, with the three lit glass shelves housing everything you need for a great night in.
