## ROCK CRYSTAL BOTTLE STOPPER

### Decor

This beautiful bottle stopper is topped with a shard of ancient rock crystal, the purest form of quartz, formed over millennia. Revered by many ancient cultures, rock crystal was believed to be the breath of white dragon by the Japanese, a representation of perfection, while Australian Aborigines believed it was frozen rain, a source of life.

### SPECIFICATION

---

Product Code:	T-BSR-OK-0001-Z
Product Height:	1.5cm / 0.6"
Product Width:	10cm / 3.9"
Product Depth:	1.5cm / 0.6"
Weight:	0.2kg / 0.44lbs
