

TIMOTHY OULTON

HERON - OAK

Wall Art

The handsome heron is a long-legged bird who you'll most likely spot standing at the water's edge, ready to wade in and catch some lunch with its deliciously long beak. This beady-eyed depiction of one of Britain's most striking birds is printed on museum quality paper that has been delicately stained for an authentic, aged appearance. Framed in oak finish.

SPECIFICATION

Product Code:	T-NAT-WA-0022-Z
Product Height:	160.7cm / 63"
Product Width:	109.9cm / 43"
Product Depth:	3cm / 1"
Weight:	29kg / 64lbs
