

TIMOTHY OULTON

BAROQUE SMALL CHANDELIER

Ceiling Lights

A stunning chandelier that faithfully emulates the ornate style of the Baroque era. Originating in Italy in the 17th century, Baroque design was often highly embellished in a celebration of extravagant exuberance. The Baroque chandelier is fashioned from tiers of multi-faceted glass crystals, refracting the light to create a soft and romantic glow and infusing the room with a sense of drama. The elegance of the crystals is starkly contrasted with the rustic aged metal patina of our proprietary Antique Rust finish to create its uniquely authentic and Timothy Oulton look.

Please note: Baroque hangs from a metal chain, not a rope as pictured.
