AVIATOR BLACKHAWK

The Aviator Blackhawk collection is an industrial-style range inspired by two different military aircraft, melded together in one awesome piece of craftsmanship. The rounded edges and unique drawer handles are reminiscent of the curved lines of the famous Black Hawk helicopter while the Spitfire finish takes its cue from the historic Spitfire fighter plane. Echoing the Spitfire's multi-riveted construction of interlocking aluminum panels, the metal is put through a five-stage finishing process to create an impression of worn, distressed metal.
