

HOME ACCESSORIES / CLASSIC COLLECTION / LIGHTING

CORE

Inspired by the technique of turned wood, a classic rounded shape is catapulted into the modern era with the use of an innovative, contemporary material. Carbonstone is created from recycled quartz pieces, transformed into a solid crystallised stone in a technically complex reaction involving heat and carbon. The translucent stone gives the Core pendant its unique, natural feel while retaining an air of vintage. A small sized pendant, with a visible antique bulb at its centre.

DIMENSIONS :

L: 9.1" / 23 cm	Weight: 8 kg
W: 9.1" / 23 cm	Max. Watt.: 25 W
H: 8.1" / 21 cm	No. of Bulbs: 1

PRODUCT SHOWN IN :

Hand-polished Carbonstone
