

HOME ACCESSORIES / CLASSIC COLLECTION / WALL ART

FREAK SHOW

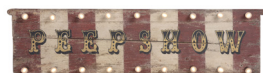

These unique circus signs are a nostalgic bow to the showmanship of 1920s funfairs. The design is painted by hand onto an old salvage door. The hand painting process takes 48 hours, all the bolts holes are kept in and the weathered character is preserved, as a testament to its rich provenance. A rugged, distressed finish gives this piece a very vintage feel, softly lit by playful white carnival bulbs.
