GENTLE SHEPHERD

BEDROOM

ARGALI

Shown in UK Super King, Yeti Beige with Revive mattress.

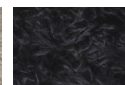

A wildly luxurious sleeping experience, Argali is named in reference to the large, wild mountain sheep of the Arctic. Covered entirely in the softest premium sheepskin from New Zealand, a natural heat regulator which keeps you cool in the summer and warm in the winter. The curves of the headboard evoke a cosy, enveloping feel, while the thick, deep pile of the sheepskin offers a richly sensorial experience.
