# MANOR

Inspired by the classic wing chair, the Manor is a chair to get lost in with its large distinctive design. We've re-sculpted the lines and added interest to the leather detailing on the seat back to give it a more cutting edge feel. Shown here in Acid Jungle velvet; a heady mix of vivid colour and equally intense darkness. Lush greens entwined with vibrant florals in an exotic scene that dances against a deep black backdrop. Legs are wrapped in matching leather or fabric to the chosen finish.
