

MARBLE CUBE

Marble evokes a classic Mediterranean cool. It has been one of the classic materials of great interior styling for thousands of years; the ancient Greeks and Romans used marble for its crisp, clean cool effect. The richness of the patterns contrast with the polished smooth surface. In the new collection, marble is built on to frames that feature modern sharp lines. Careful attention to the edges gives impression of solidity and permanence which can anchor a room.

AVAILABLE IN :

MARBLE : Black Polished, Honed (18mm) | White Polished, Honed (15mm)

Special Note: The frequency and intensity of the marble veining will vary between pieces, marble is a natural material and each slab displays its own unique characteristics.

Also in Coffee table - See over for more details.
