

HOME ACCESSORIES / CLASSIC COLLECTION / LIGHTING

PARADISE SPIRAL

Inspired by the magnificent Odeon buildings in ancient Greece and Rome, originally constructed for musical performances. Traditionally, they had beautifully carved domed roofs for maximum acoustics, with a space in the top for natural light to flood in. The light's spiral design mixes architectural elements from the biblical Tower of Babylon with the helix effect of a spiral staircase, bringing ancient drama and modern glamour to a room.

OTHER MODELS :

Paradise Spiral Large Pendant

L: 36.6" / 93 cm
W: 36.6" / 93 cm
H: 55.9" / 142 cm
