# REX

An exciting new extension to the Rex collection. Swirl your senses with this show-stopping range. Strongly directed by Art Deco influences, Rex recaptures the magic and romance of glamour's golden age. The collection shares its name with the historic Rex cinema in England; a 1930s Art Deco gem boasting a beautiful auditorium with dramatic lighting. Saved from dereliction by a local entrepreneur, the cinema was restored to its former glory in 2004. Rex juxtaposes its raw iron frame with glowing prisms of optical grade glass, refracting the light in a perpetual dance of shimmer and sparkle. Vintage glamour, recast for today.
