SAVANNAH

Be transported with this modern take on the safari chair. Savannah features a frame handmade from solid and turned oak in a weathered finish, with woven cotton wrapped around the arms for a more tactile experience. Seat and back cushions are swathed in natural linen, with relaxed waterfall edges, or hand-distressed Vintage Bianco leather, finished with piped edges. An internal webbing system within the cushions enhances support and creates that soft-landing feel as you sit down. A casual and comfortable lounge chair to sit back and enjoy the view outside your window, whether that's an unspoiled landscape or the urban jungle.
