WESTMINSTER BUTTON

The Timothy Oulton Westminster Button is our take on the classic Chesterfield sofa, once a staple in palaces, hotels and gentlemen's clubs. Adopting the Chesterfield's distinctive, deep buttoned detailing, the Westminster Button is handcrafted using traditional construction methods, with around 1300 studs applied by hand on the 3-seater sofa. Distressed leathers add an antiquated aesthetic while proportions are refined for a modern sensibility. Leather finish comes with stud detailing, fabric finish comes with piping instead of studs.

Also available in a feather filled cushion seat called the Westminster Feather.
