GENTLE SHEPHERD

## ARMCHAIR

# BERGERE

Shown in Yeti Beige.

Named after the French word for shepherd, the Bergere Chair seems as though it belongs to the land, anchored and rooted to the earth. Clad entirely in pure, natural sheepskin, the exposed timber at the front adding visual contrast. A slouchy back encourages lounging, while the luxuriously thick, deep sheepskin creates a sink-in feeling that is richly evocative to the touch. A rugged look that plays to all the senses, adding texture and warmth to any space.
