NEST SMALL

Newly available in a smaller scale in both fixed sofa and sectional models, perfect for more compact spaces. One of the world's most disarmingly comfortable sofas, employing natural materials. Nest offers a laidback whuush effect with a slightly more supportive seating contour. Filled with goose down feathers, the simplest form of all feathers, creating thousands of tiny pockets of air within the sofa. Seat covers are all natural linen, using only 100% natural vegetable dyes.
