## COLOSSEUM COFFEE TABLE

### Coffee Tables

Emperor Augustus, founder of the Roman Empire, boasted that his rule left Rome "a city of marble". 2000 years later, marble remains a stalwart of classic interior styling and the epitome of Mediterranean cool. The Colosseum coffee table marries the timeless elegance of this revered material with a nod to old England in its brass detailing. Push opening drawers are lined in luxurious black suedette.

### SPECIFICATION

---

Product Code:	T-COF-TF-0001-Z
Product Height:	36.6cm / 14"
Product Width:	130cm / 51"
Product Depth:	67.2cm / 26"
Weight:	103kg / 227lbs
Bulb Included:	No
