TIFFANY FLUSHMOUNT PENDANT

Ceiling Lights

Full of razzle dazzle, the special edition Tiffany pendant radiates classic glamour. Commanding attention with its grandiose stature, this bejewelled beauty is handcrafted from a profusion of delicate glass drops suspended from a circular flush mount plate. One pendant takes a whole week to create, with each of the 179 glass drops hand blown and hand polished by the masters in our glass workshop. A true testament of craftsmanship and an absolute showstopper.
