BIOHAZARD BAR CABINET

Bar & Drinks Cabinets

The sardonically named Biohazard bar cabinet is its own warning label, but this beautiful glowing capsule of handcrafted glass rods is tempting nonetheless. Held in a black frame, with LED lighting built into the top, the round sliding doors reveal a protected core of glass shelves, to hold bottles of your guests' favourite poison.

SPECIFICATION

Product	T-BIO-OC-0001-A
Code:	
Product	117cm / 46"
