

TIMOTHY OULTON

SHARD DESK

Desks

With its strong architectural aesthetic, the Shard desk means business. Made using the same glass planks as our Iceberg collection, evoking sleek, frozen blocks of water, with a unique rippled texture that catches the light. The angular geometry of the A-frame base in stainless steel contrasts the elegance of the glass with urban, industrial styling.

SPECIFICATION

Product Code:	T-FER-TD-0001-Z
Product Height:	76.2cm / 30"
Product Width:	213cm / 84"
Product Depth:	100.3cm / 39"
Weight:	217kg / 478lbs
Bulb Included:	No
