

# TIMOTHY OULTON

## FLUTTER

### Wall Art

A contemporary take on entomology art, Flutter is crafted from laser-cut black and brushed steel. The metal is raised for a 3-dimensional effect, and the whole piece is backlit for added drama. An engaging piece which plays with contrasts.

### SPECIFICATION

---

Product Code:	T-FLW-WA-0001-A
Product Height:	88cm / 35"
Product Width:	115cm / 45"
Product Depth:	12.2cm / 5"
Weight:	65kg / 143lbs
Frame Construction:	Metal
Max Wattage:	39W
No. of Bulbs:	14
Bulb Included:	Yes
Dimmable:	No
