TURBINE SCONCE

Wall Lights & Sconces

The Turbine sconce is inspired by intricately crafted turbine engines, which create power by feeding fluid through a rotary assembly to turn the blades. The Turbine sconce has taken many design elements from actual turbine engines, from the blades which encase the bulbs to the solid steel casing which joins the turbine blade units

SPECIFICATION

| | |
|-----------------|-----------------|
| Product Code: | M-TUB-LP-0005-A |
| Product Height: | 29cm / 11" |
| Product Width: | 72cm / 28" |
| Product Depth: | 33cm / 13" |
| Weight: | 24kg / 53lbs |
| Max Wattage: | 8W |
| No. of Bulbs: | 2 |
| Bulb Included: | Yes |
| Dimmable: | No |
| Ajustable | Yes |
| Chain/Rod: | |
