TRAPEZA CONSOLE

Console Tables

Named after an ancient Greek word meaning a table for food, the Trapeza console table is crafted using pure Carrara white marble for serene al fresco living and dining in the midst of nature. The tabletop's strong yet lightweight structure is thanks to an inner honeycomb core of aluminium, skilfully covered with a layer of marble to give the impression of solid marble beams. Sleek lines create a modern, architectural feel. Trapeza is suited to outdoor spaces that are undercover and protected from direct rainfall, blending the comfort and luxury of your indoor space with the peaceful wilderness of the outside. It also looks equally striking indoors.

SPECIFICATION

Product Code:	T-TRZ-TC-0001-Z
Product Height:	76cm / 30"
Product Width:	180cm / 71"
Product Depth:	40.8cm / 16"
Weight:	82kg / 180lbs
Bulb Included:	No
